Pattern Introduction

The Honeyloop Bandana is knit flat from the narrowest point upwards using a lace-stitch pattern which is knit alongside the increases. The i-cord ties are added after finishing. The pattern includes written instructions and a chart for the lace detailing. It is easily size adjustable but keep in mind that the amount of yarn will vary with pattern adaptations.

Notions

4.5 mm needles – if using circular needles, I recommend a 40 cm cord

4.5 mm double pointed needles or 4.5 mm circular needles (for the i-cord ties)

Stitch marker

Darning needle

Recommended yarn

Utopia Crafts Softease – 170 m per 100 g

For the size stated in the pattern, you will need approximately **80 m or 50 g** of yarn.

Abbreviations

yo = Yarn over

ssk = Slip 2 stitches, knit these 2 stitches together.

k2tog = Knit 2 stitches together

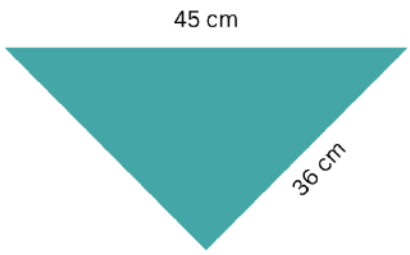

m1l = Make 1 left leaning stitch

m1r = Make 1 right leaning stitch

Gauge

1 lace pattern repeat = 4 cm wide x 3 cm tall

Finished size

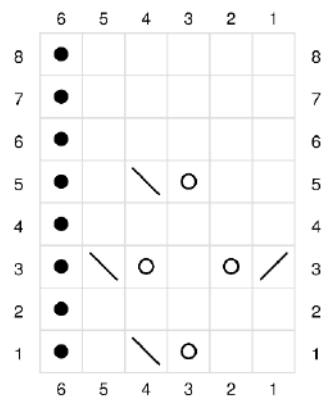

The i-cord ties as written are 14 cm in length.

If adjusting the pattern, a general rule of thumb would be to make the width (i.e., 45 cm shown on the diagram above) approximately 10 cm smaller than the head circumference.

Lace pattern

The lace pattern is a 6 stitch, 8 row repeat. Both the written and charted instructions are below.

Chart

○	**= Yarn over**
/	**= Slip slip knit decrease (ssk)**
\	**= Knit 2 stitches together decrease (k2tog)**
•	**= Right side purl, wrong side knit**
Blank square	**= Right side knit, wrong side purl**

Written instructions

Row 1: Knit 2, yo, ssk, knit 1, purl 1

Row 2: Knit 1, purl 5

Row 3: k2tog, yo, knit 1, yo, ssk, purl 1

Row 4: Knit 1, purl 5

Row 5: Knit 2, yo, ssk, knit 1, purl 1

Row 6: Knit 1, purl 5

Row 7: Knit 5, purl 1

Row 8: Knit 1, purl 5

Pattern

Below are the full written instructions and charted pattern (page 10) for the bandana. The written pattern is written using the abbreviations stated above. A column in the instruction table below has been added so you can track your progress.

Notes:

- On each odd numbered row (excluding row 1; i.e., on the right side), you will make two increases. These will be made after you have knit the first 2 stitches of the row and before the last 2 stitches of the row.
- The pattern is in essence a repeat of the chart shown on page 3. When you have made sufficient stitches to introduce a new pattern repeat, you do so. You will start with 1 pattern repeat and end with 11 (if you knit to the size in the pattern).

Start here…

Cast on **5** stitches using a cable cast-on (or a cast on method of your choice).

Charted Pattern (key on page 8)

Knit
Purl
Yarn over
Slip, slip, knit
Knit 2 together
No stitch
Make 1 right leaning
Make 1 left leaning

I-cord ties

With your 4.5 mm circular or double-pointed needles, pick up 4 stitches at the upper most corner of your bandana (as shown in the diagram below)

Knit 1 row. Rather than turning your work, slip your stitches to the other end of your needles (if using circular needles, this will be onto the other needle on your cord).

Knit these 4 stitches. Slip your stitches on the end of your needles/your other needle as above. Repeat these 2 steps for 26 more rows.

On the next row, rather than slipping your stitches on your needles, turn your work. Cast off purlwise. Leave a small tail of yarn once this cast-off has been completed. Using your darning needle, thread this yarn tail through stitch 1 of this last round to maintain the circular shape of the i-cord.

Repeat on the other side of the bandana.

Sew in your ends and block and you're all done! 😊
