Using White Yarn

Make a sl st in each st ,when you come to the middle point, insert your hook from the 1 row before which you made sl st + make a sl st in each st. You will repeat this on Rows 5, 12, 21, 32, and 45.

Joining the Parts

You will crochet this tree in 2 pieces. Then, join them together with single crochet stitches on the right sides.

When you reach the sides, you will see the posts. Make 2 single crochet stitches at each post. Make 3 single crochet stitches at the corners.

When you reach the top, make 15 single crochet stitches and slip stitch into the same stitch. Don’t forget to stuff with fiberfill before joining completely.
